The Clarke Family

Elliot, Olivia, Nikki, Kristen, Ben, Abigail

Born and raised in the north, Ben uses his skills and traditional bush knowledge as a way to minister. Together our family ministers in all areas. Summer canoe camping and winter survival and fishing camps are a way we share the Lord Jesus with our people. We work with the local church to carry out these camps and stay connected to the youth and families in our area. Our desire is to fully give of ourselves to the furtherance of the gospel in our area to our people.

Recently, the local fellowship made a transition to an organized church. On November 3, 2008 the Montreal Lake Fellowship Gospel Chapel (First Nations Alliance) was established. Ben has the role of Elder/Treasurer. Supporting our pastor, Cliff Bird and his family from Montreal Lake Cree Nation, and being involved in outreach has been an exciting part of our ministry.

In September 2009, the ownership of the facilities formerly known as Timber Bay Bible Center (a ministry of Northern Canada Evangelical Mission) in Timber Bay just north of Montreal Lake Cree Nation was handed over to this local church. It is now used as a ministry center for the church as well as a training/conference/retreat center for other missions and organizations. Our family is involved in the direction of this facility.

Since we are established in Northern Saskatchewan, we have been able to see the change Jesus Christ has brought to many lives. As well, others have been able to see the change in us as we daily draw closer to Him. With the establishment of the local church and other events, many have come to receive Christ as their Saviour in the past year. We are excited and also sense responsibility walk and live alongside these new believers as well as support and encourage those in the church. It seems that our work has just begun...

Thank You for partnering with us to bring Christ to the North. God's hand of blessing is upon the people of this area.

And He said: "Behold, I make a covenant. Before all your people I will do marvels such as have not been done in all the earth, nor in any nation; and all the people among whom you are shall see the work of the Lord. For it is an awesome thing that I will do with you.
